Q.) What is a SportMate ?

A.) An 8x10 print with both the individual and team. Individual print is slightly larger than a wallet and team picture, approximately 5x7

Q.) What if my child didn't bring home the form or forgot to bring money on the day of the shoot?

A.) All pictures will be available online for purchase at a later date, so no problem. Have your players picture taken anyway and purchase it later online.

* Due to Lab changes 4x6 prints may be 4x5 pending time ordered.
