A Note From Mr. Washburn:

March is just around the corner, and that not only means saying "Goodbye!" to winter but also enjoying McFall's month-long celebration of March is Reading Month. Please watch for more information as we plan our exciting Reading Month events.

100 DAY!!!!

Teachers and students keep track of the number of days that we have been at school during their daily calendar time. We celebrate Zero Days with Zero the Hero every tenth day of school. Because 100 Day is the only day in the school year that has two zeros, we have a very special celebration. The teachers and Zero are planning many enjoyable activities to celebrate the number 100. This much anticipated day is one of our favorites during the school year. Barring any additional snow days, 100 Day will be celebrated on Wednesday, February 15. The T/TH classes will enjoy their 100 Day celebration on Thursday, February 16.

Valentine's Day

One of our favorite days of the year at McFall is Valentine's Day. Our students enjoy the exchange of Valentine Cards and a room party. Our M/W classes will celebrate on Monday, February 13, with afternoon parties. The T/Th classes and first grades will have their celebration on Tuesday, February 14, also during the afternoon.

UPCOMING FRIDAY SCHEDULE:

Attention Young 5's Parents: It's hard to believe, but we are starting the enrollment process for incoming 2012-2013 students. Since your student is already enrolled in our school, you do not have to do anything further. They will automatically be promoted to kindergarten, and we have all of the necessary paperwork in their student file. As always, if you have any questions, please call or stop in the office.
