

Dear Thornapple Kellogg Family:

Many times throughout the school year, local charities contact us offering assistance to families in need. This can include meals at Thanksgiving, financial assistance/gift cards for Christmas gifts, and other creative ideas that present themselves throughout the school year. In addition, a local church offers a program called Hand2Hand Ministries that provides healthy food to children over weekends, so they have a greater opportunity to succeed academically, emotionally, and physically. For more information on this program, please visit their website at [hand2handministries.com](http://hand2handministries.com).

Recognizing our current economic climate, we would like to provide support to as many of our families as possible. If you would like us to forward your contact information to any of these agencies as the opportunity arises, please indicate your approval below. Be assured that we will handle this information in a confidential matter as we work together through these difficult times. Please return this form to your child's school office if you are interested in participating. Thank you.

I authorize Thornapple Kellogg Schools to give my name, address, and phone number to agencies who are offering assistance.
