

THE MCFALL MONTHLY

A Newsletter Published By:
McFall Elementary
September 2011

The staff of McFall Elementary is pleased to welcome our 2011-2012 students. Our teachers were very busy over the summer taking classes and attending workshops in their continuing staff development efforts.

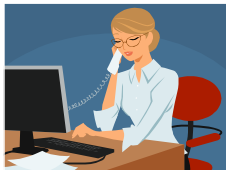

We are looking forward to a wonderful year with our students and have many interesting and enjoyable activities already planned for the year. Communication between the school and home helps assure that we will have a great year. You can expect a monthly newsletter from the office as well as periodic newsletters from your child's teacher. In addition, a monthly menu will be sent home from our food services. All school news will be sent home with the students and is also on our website. Please make an effort to check your child's book bag or backpack on a regular basis and be sure to read the school news. If you ever have questions, please feel free to call the school. The McFall phone number is 269-795-3637. Our teachers have planning times during the day, and if they are unavailable at the time of your call, they will return your call at their earliest convenience. Our staff also can be reached through email and their addresses are linked through our website address:
