

LUNCH CHARGE POLICY

Thornapple Kellogg Students (grade k-5) may charge their lunch anytime they forget their lunch or lunch money. They are required to repay the charge back on the next school day. **If a student has an outstanding charge of more than 5 lunches they will not be allowed to charge another lunch.** We will provide a cheese sandwich and milk if this occurs. Once the outstanding charge is repaid the student is free to charge again when necessary. If you would like to see if your child has an outstanding charge, feel free to call your school kitchen. We will send out notices daily of outstanding balances.

Thank You
