

## Pool Rental Information

---

Pool parties are the way to go and children usually have a great time in and around water.

The TK pool is available for rental on Friday evenings and Saturday afternoon and/or evenings with prior approval. Pool reservations must be turned in to the Operations Department at least 10 days prior to the date of rental. Once approval has been given, we will contact a Thornapple Kellogg certified lifeguard for the duration of the rental.

Our pool area has locker rooms available for changing, showers for before and after swimming, full restroom facilities and lockers to secure your belongings while in the pool, you must provide the lock. We also have a limited amount of kick boards and floatation devices that can be used.

Hourly rate for pool rental is \$60.00, if applicant and majority of swimmers are residents of TK. If applicant and majority of swimmers are Out of District, then the cost is \$75.00 per hour. Cost of lifeguard is approximately \$10.00 per hour and there is also a \$20.00 application fee that applies to all rentals.

Questions regarding rental of the pool can be directed to Roxanne Potter, Operations Department at 269-795-5535.
