TK Preschool-A Great Start for Kindergarten

Mission Statement

Through our preschool programs, we are committed to ensuring that all students are prepared socially, academically and emotionally to succeed in a kindergarten classroom. Our goal is to promote feelings of security, confidence and happiness in all children. We want children to love school.

As the TK preschool and McFall Elementary School share the same campus, the preschool teachers communicate regularly with the McFall kindergarten teachers to coordinate the preschool program with the kindergarten program. Children leaving the TK preschool program are well prepared to enter kindergarten. McFall kindergarten teachers report that students entering kindergarten from the TK preschool program come to kindergarten with the basic skills necessary to have a positive kindergarten year.

Registration applications are available for children in the TK school district for fall 2007. Classes are scheduled to begin Monday, September 10, 2007 and end the week of May 19. Enrollment packets may be picked up at the Community Education office or by calling 795-3397 to request a packet beginning March 5th. The Community Ed office is located within the Special Ed department at McFall Elementary. **We will be accepting applications through Thursday, March 29.**

TK Community Ed offers preschool programs for three and four year old children.

Age Requirements:

Children entering the three year old program must turn three on or before Dec. 1, 2007.

Children entering the four year old program must turn four on or before Dec. 1, 2007.

Children must be toilet trained to attend class.
